

VOLUNTEER APPLICATION

A volunteer is a person who willingly and without pay gives their own time, expertise and talents. Volunteers are vital to the success of the World Bird Sanctuary and are welcomed as family. Our volunteer program offers something for everyone, including the unique opportunity to work directly with birds and animals. The minimum requirement is 16 hours of work per month. Previous animal experience is not required and all training is done on-site. All volunteers are required to become a WBS Friend and must be at least 18 years old.
